U.S. Masters Conclude in Beaverton

Redwood Empire Synchro Claims Overall Title

Beaverton, Ore. – The 2006 U.S. Masters Synchronized Swimming Championships concluded Saturday at the Tualatin Hills Aquatic Center. The 32nd annual event featured some of the world's top Masters synchronized swimmers ranging between the ages of 20 to 85+ years old, as they competed for overall team and individual titles in the solo, duet, trio, team and combo events.

Redwood Empire Synchro claimed the overall High Point title with 134.5 points, while MAC Synchro followed in second place with 132.5 points. The Unsyncables of Southern California (75 points) grabbed third place and the defending champions, the Dayton Synchronettes (74 points), took home fourth place. In total, 29 teams competed.

Synchronized Swimming requires a combination of strength, precision, grace and teamwork, which proves to be a preferred fitness activity for older adults by leading sports medicine professionals.
